

If I Had Known...

If I had known I would have...

Stayed a little longer.
Hugged a little tighter.

Spoke only of the good things in life instead of complaining about the bad.
Listened more and talked less.
Asked more questions and remembered the answers.

Prayed with you more and not take YOUR prayers for granted.

Thanked you for loving me and for going without so I would have more.

Loved as you loved.

Sang a hymn or two and made more memories.

Taken more trips together.

Looked into your eyes a little deeper.

Laughed with you a little harder.

Held your hand and not let go.

If I had known...

I love you Mom and Dad -

Robin
